MEMORANDUM FOR: Office of Public Affairs  
Office of Legislative Counsel  
Office of Equal Employment Opportunity

FROM:

[Redacted]  
Security Officer, DCI Area

SUBJECT: Sensitive Compartmented Information (SCI)  
Access Approvals

Attached are a copy of a memorandum from the Special Security Center and a machine print-out listing personnel in your component holding SI access approvals. The memo is self-explanatory. Please advise me if there are personnel in your organization who hold SI approvals solely because they use Agency computer terminals, but have no actual requirement for access to data bases containing sensitive compartmented information. A response by 12 December 1978 would be appreciated.
